# Who Should You Trust Your Future To?

## What you get for \$499.00

Would you invest just \$499.00 in exchange for several million dollars worth of value? Of course you would! Would you be interested in making that same trade each and every month? Of course you would!

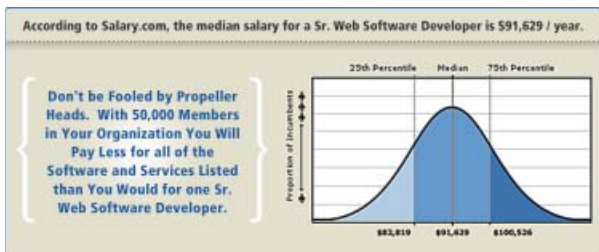

## This offer is available today

When you use our MLM Builder to manage your network marketing company, you will receive millions of dollars in value month after month for only \$499.00 per month.

You couldn't even employ just one developer for \$499.00 per month, yet with MLM Builder you are backed by a team of on site, full time employees.

## Some of the benefits of MLM Builder are:

- ✓ Millions of dollars invested in software and development since 1987
- ✓ Over \$1,000,000.00 reinvested annually in labor
- ✓ Over \$100,000 dollars worth of hardware (e.g. Servers, Fire walls, etc.)
- ✓ Hosting of service in a secure, level 3 collocation data facility
- ✓ Your data being handled according to payment industry security standards (PCI)
- ✓ Unlimited bandwidth usage
- ✓ Unlimited data storage capacity
- ✓ Unlimited FREE technical support
- ✓ Hosting of your entire corporate website at no additional charge
- ✓ Hosting of your distributor's Replicated Web sites
- ✓ Assurance that you are teamed up with a company knowledgeable of and dedicated to the direct sales and MLM industries
