## Broker, Dealer Opportunity

**M**LM4SALE is a “Business Incubator”, a one stop resource for entrepreneurs interested in purchasing a shell company, a built and “ready to go”, multilevel marketing company.

MLM4SALE.COM’s website purposely has the look and feel of a real estate company. Like houses, ready made turn-key MLM companies are viewed using our Multiple Listing Service (“MLS”); our acronym is: “MLM-MLS”.

Additionally, our business concept provides for a thorough facilitation of the company/entrepreneur from the opportunity search stage through the entire life-cycle, ensuring its profitability and stability by both modern technical means and consulting.
